Mail to: **MCBOC
311 Sunset
Flushing, MI 48433**

This camp is held at Central Michigan University in conjunction with **Jay Smith's Central Michigan University Basketball Camps**. Jay is the men's head basketball coach at CMU. Central Michigan University has an outstanding facility for hosting a basketball camp. We utilize 6 air-conditioned full-size courts in the intramural facility and also courts in the multi-purpose building. We also will be officiating on CMU's main court located in Rose Arena. There is also access to a championship size swimming pool and hot tub facility.

Our officiating camp is designed for both high school and college basketball officials looking for advancement to the next level. We will focus exclusively on 3-person mechanics. Those of you who are serious about officiating and want to enhance your officiating careers, *this is the camp for you!* Each camp will start with registration at 8:30 AM on Day 1 and conclude on Day 3 at approximately 2:00 PM. **Please note that all college women officials (and those interested in college women officiating) attending either session will be paired with similar partners for all games officiated.**

The Camp Director is **John Kirk**. A longtime collegiate basketball official from Michigan; John retired from officiating after 34 years of wearing the striped shirt. He is the Supervisor of Officials (men's and women's) for the Great Lakes Intercollegiate Athletic Conference. This division two conference's geographic coverage includes the states of Michigan, Ohio and Pennsylvania. John is also the Supervisor of Officials for the Michigan Community College Athletic Association (eastern conference women's) and the well known high school league (Saginaw Valley Conference).

Guest speakers and participants will be Marcy Weston (former NCAA National Coordinator of Women's Basketball Officiating), Ted Hillary and Jerry Sauder. Both are well known Division 1 Men's officials. Ted has been selected to officiate in the NCAA Division 1 post season tournament for the past 22 years. He also has officiated in two (2) Final Fours. Jerry Sauder currently officiates in four Division 1 conferences and provides our camp with an outstanding background in the officiating field.

Assignors that will be participating, as clinicians/observers will be:

Mike Smith- Supervisor of Officials for the Wolverine-Hoosier Athletic Conference (NAIA men's and women's) and two high school conferences (Detroit Public School League and Oakland Athletic Association).

Mike Conlin- Supervisor Officials for the Michigan Community College Athletic Association (men's) and Capital Area Activities Conference (high school conference).

Wallace Whitfield- Supervisor of Officials for the Western Lakes Athletic Conference (high school conference).

Bruce Moss- Supervisor of the Mid-State Activities Conference and the Central States Activities Conference.

Each camper will be videotaped and critiqued on their mechanics and officiating technique. These tapes will be yours to take home for post camp review. **Campers must supply their own blank videotape.**

The Staff at each camp will be comprised of accomplished active men's and women's officials. These individuals are selected for their ability to teach in the classroom and on the court. **Our goal is to deliver to each of you the best camp experience possible.** We guarantee that you will leave these camps with a thorough understanding of mechanics and the philosophies necessary to be a quality official. In addition, this camp will offer you an opportunity to be evaluated by assignors that provide officials to approximately 100 schools. These assignors are looking to promote you to the next level of officiating. Take advantage of this opportunity.

You will be officiating in front of both college and high school conference assignors that are looking to add officials to their staffs. This is your opportunity to show them you can be a valuable member of their staffs. Each year many officials have been added to various staffs as a direct result of attending this camp.

Those of you who are interested in improving and possibly elevating your officiating careers will take time from your busy summer schedules to attend one of these camp sessions. By attending this camp, your chances of going to the next level will be greatly enhanced.

IT WILL BE WORTH YOUR TIME AND EFFORT. WE GUARANTEE YOU WILL BE REWARDED BY THIS EXPERIENCE!
